

EAST HILLS PS P&C ASSOCIATION

~ working together for our children's future ~

20 November 2017

Dear Parents & Carers,

P&C CAROLS ON THE GREEN - Thursday 30th November

On Thursday 30 November from 5:30pm your P&C Association will be holding our Carols on the Green, Community Christmas Celebration.

With last year being such a successful and fun filled community night we look forward to seeing our students, families and friends this year. All students will be performing with their class on the night along with having a fun family outdoor disco.

For this event, we are also seeking any **volunteers** that may be available to assist with activities on the night, such as serving at the BBQ & drinks stall or selling raffle.

Can you spare a little time on the night to assist in making this night a success?

If you can volunteer and assist us with this event, please indicate your availability below and return to the school office.

For more information please contact the P&C committee easthillspandc@gmail.com

This event has the approval of the school principal.

Many thanks
East Hills Public School P&C Association

Yes I am available to assist with Carols on the Green
